### THE OTHER SIDE.

In speaking of the attempt on the part of the San Francisco *Bulletin*, Morning *Call* and Sacramento *Union* to break up the Union party in this State because their candidate was not successful, the San Andreas *Register* administers them the following merited rebuke:

"To beleive for a moment that the people of this State are going to stand idly by and see a fellow-citizen hounded to within an inch of his life by two or three newspapers for no sufficient reason, is simply impossible. The American people are generous as well as just. Who is George C. Gorham, and what are his antecedents that he should be so maligned, abused and villified by those plethoric concerns? Has he led a vagabond life, been dissolute, false to his word, treacherous, deceitful, hypocritical, penurious, mean and contemptible? Had he been all these; nay! had he been, all his past life, the vilest of the vile, he could not have been more harshly treated by these newspapers than he has been.

The people of California have only to know Mr. Gorham as he is known to his friends, (and they will be measurably enlightened before the canvass) know him as an industrious, temperate, truthful, ingenous, open-hearted young man, who would share the larger moiety of the last crust with his friend, to take him into the warmest corner of their souls, and hurl his calumniators to the contempt they deserve.

The unpardonable sin Mr. Gorham has committed, is, that he received more votes at the primaries and in the Convention than did their pet candidates. He was too popular, and too good a General for them.—He met them upon their own ground—a stripling David—unpanoplied save by a good conscience, bright intellect, and a hearty good will for the battle before him. Armed with his sling and little paper pellets he went forth to battle against their mighty men of valor; their Goliath of *Chico*; their men of vast renown in the great city of the sea shore, backed by vast landed estates; hedged in by prestige of large riches, and high public places in the councils of the State and Nation; defended, counseled, and advised by the venerable, portly and wide spreading newspapers; and laid out their whole lot "in their last chaith" and are so badly hurt in the encounter that they won't get over it no way you can fix it. They would rather break up the great Union party that stood firm for the Nation through all the dark years of its peril, while these doughty soreheads were with the enemy, or hesitating where to go, than 'stand it.'

We do not beleive our people will 'stand it' either, this furious raid against Mr. Gorham, who boldly challenges investigation of his past, and promises to retire from the arena if he is found wanting in anything other than seveval too many for their combined hosts of veteran political Generals, and the rank and file of their cohorts.—Let Mr. Gorham take the field, as we hope he will, show himself to the people everywhere; let them look upon his sight, lithe form, gaze into his very soul through its large, bright windows, that show forth no false lights; let them listen to the bold, earnest, nervous tones of his manly voice that comes welling up fresh from his great heart, and go directly to the hearts of his listeners, and all that as many *Unions* and *Bulletins* as can stand between sun rise and sun set, can do, will not hinder him from becoming the most popular man on the ticket, or any ticket ever voted in this State, before the fourth day of September, while his traducers will be quietly sleeping in the 'tomb of the capulets.'"

JUSTICE.—The Editor of the San Mateo *Gazette*, who was one of the party of excursionists on the 15th instant, renders the following just tribute of praise to the projectors and builders of the Central Pacific Railroad, and which we cheerfully transer be to our columns:

"Much has been written and published in the past two or three years calculated to prejudice the people against the Central Pacific Railroad, and more especially against its two principle managers, Leland Stanford and Charles Crocker. Many people have been actually made to beleive that the parties named have been carrying on a system of gigantic swindling of this State, as well as the Federal Government, under the specious pretense that they were actually intending to construct a railroad across the impassible Sierra Nevadas from Sacramento *via* Dutch Flat, and thence to Salt Lake and the Atlantic States, when in fact they were intending to do no such thing. If there are any persons who still entertain any such notions as these, and who think that Stanford, Crocker & Co., have simply been joking, all they have to do is to just make one trip from Sacramento to Cisco, when they will be at once undeceived. It was once supposed that there were regions so mountainous and uneven that a railroad could not be built over or through it, but after one has taken a fair view of the country between Colfax and Cisco through which the Central Pacific has been completed, the conclusion is irresistably arrived that a railroad can be built anywhere. We doubt whether a railroad has ever before been constructed upon such a difficult and almost impassible route. The road for the last twenty miles before reaching Cisco is almost entirely cut through solid granite rock, and where it was not cut through rock, it is built upon rock that is taken from the cuts, and used in filling immense gorges sixty or eighty feet deep. The immense amount of labor performed in the construction of this road between Auburn and Cisco, some 55 miles, cannot be realized without a personal view of the works, neither can an adequate idea be formed of the obstacles and difficulties that have been overcome by the indomitable energy and perseverance of Stanford, Crocker & Co."

DEATH OF A HISTORIAN.—Sir Archibald Alison, the eminent historian and lawyer, died recently in London at an advanced age. He was the author of numerous works, chief among which will be remembered his "History of Europe, from the commencement of the French Revolution to the Restoration of the Bourbons."

A CHILD in Montgomery county, Virginia was recently christened "Andrew Jackson Gordon James Buchanan Raise The Flag And Fire The Cannon Downs." It was all the parents had to give the child—and enough, too, we should think—of the kind.

### RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

*Resolved*, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

*Resolved*, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

*Resolved*, That the vital issue between the Union and Democratic parties is that of loyalty to the constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress to secure the healthy reconstruction of the Federal Union.

*Resolved*, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

*Resolved*, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

*Resolved*, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

P. W. THOMAS,
Chairman Committee on Resolutions.

### THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

*Resolved*, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

*Resolved*, that in reconstructing the nation its foundations should be justice and its architects loyalty, and we are willing that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equal y, it is our wish that the Government be administered and the law enforced by the loyal agents of the Federal Government.

*Resolved*, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as sisters and receive them as equals in a reconstructed Union.

*Resolved*, That we de.e to the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

*Resolved*, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and degrading to American labor, by forcing it into unjust and ruinous competition, and as evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

*Resolved*, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced as shall exclude all persons not members of the Union party.

*Resolved*, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1866, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

### LET US KNOW.

Our neighbor at Auburn makes a most excellent suggestion, one we second heartily. Let the County Central Committee meet and have the several candidates for County offices define their positions as to the head of the State ticket. We are of opinion now as we were a week ago that any substitution that may be made at the head of the Union ticket would result in its entire defeat and the election of the Democratic nominees. To avoid then, such disastrous consequence to our party, we counsel—if for no other reason—that the nomination made at Sacramento for Governor be supported. We are free to confess that of our own knowledge, we know but little of Mr. Gorham, but what we do know is every way in his favor. From what we can learn, and from sources which we consider reliable, he is a man in every respect worthy the support the great party whose standard bearer he is, and one who will exert his energies and talent, if elected, for the benefit of the State. What more can we ask? He is represented by those who know him best as being an industrious, truthful, honest, intelligent gentleman; in fact, the very circumstance of his rising, unaided, to the position he now occupies before the people, is proof of the truth of this assertion. His assailants have dealt in nothing but vague generalities, endeavoring to poison the minds of the people to his prejudice by contemptible insinuations, each one of which he has specifically denied, and challenges a refution of his denial. The most minute circumstances of his life have been paraded before the public and endeavored to be warped into anything but complimentary to him. To be sure, the people of this county, through their delegates to the State Convention failed to get their choice for Governor, but we do not see that they are justified in waging war against or repudiating the candidate selected by the Convention to which they were accreditted and in which they participated. Such a course would be anything but fair or in accordance with established precedents. Those to whom the people most look to as guardians of their interests are zealous in their support of the regular nominee in this county as in fact they are in a large portion of the State. Many of Mr. Gorham's most better opponents for the nomination gave in their adherence after he was nominated, and pledged themselves to his support, men who have heretofore stood in the front ranks of the party and received the combined charges of the enemy for the last five years without flinching. Then, let us not desert our colors at the bidding of those who never gave us anything but a mercenary support. Stick to the organization; forget all bickerings and ill-feeling, and prepare to fight the common enemy, Democracy, with the same determination as in times gone by, and we will soon learn those who have again dared to vomit forth their heresies that the emblem of victory still perches upon our banners. Believing this to be the only true course to be pursued, we warn our fellow-citizens not to be enticed from the principles they have so long sustained. Support George C. Gorham, the regular Union nominee for Governor, and your steward will render a brilliant and we believe a glorious account of his trust.

CIRCUMSTANCES ALTER CASES.—Hayward, who was freely spoken of as the probable nominee for Governor by the Democratic papers, has incurred the full measure of their displeasure by being appointed one of the members of the Union State Central Committee. The Grass Valley Union, whose Democratic proclivities are beyond question, is severe upon Mr. Hayward now, notwithstanding its endorsement of him when they needed a nominee for Governor that would "bleed freely." That paper now says of Mr. Hayward:

"Hayward, as described by one who knows him, has been very "fishy" for years as a politician, generally concurring in majority opinions even among small social circles, but always, either in convention or elsewhere, particularly favoring Hayward and such monopolies and moneyed interests as were Hayward's."

Yet, notwithstanding the gills, scales and tails, you would have accepted him with pleasure for your nominee, because he "bleeds freely." Ha! Ha!

SERIOUS ACCIDENT.—On Wednesday last the head sawyer at Day & Co.'s mill, about six miles above this place, while moving a log on the frame, accidentally struck his foot against the circular saw while it was in motion and had it terribly crushed and mangled. Drs. Nelson and Strong of this place, and Dr. Jackson of Gold Run, attended the unfortunate man on Wednesday last and dressed the wound.

After the physicians had rendered such services as were necessary and were on their way home, they met a man at Alta who had met with an accident at Kearsage Mill on Wednesday morning in having his hand crushed, and it was found necessary to amputate one of his fingers, which was done and the patient went his way rejoicing.

PAPERS.—We are in receipt of a large bundle of Atlantic pictorials, papers and magazines from Major Stratman's news emporium, San Francisco. For which we return our thanks.

HAIGHT AND HOLDEN.—Hate and holdon, the new leaders and old principles of the Democratic Party of this State, agree perfectly in sound and sense.

RATIFICATION MEETING.—There was an immense gathering of patriots at Union Hall in San Francisco on Tuesday evening last. Gen. J. F. Miller presided. Harvey S. Brown offered a series of resolutions, we print one of them;

*Resolved*, That in the person of George C. Gorham, selected to bear the standard of the party at the head of the Union column in the pending contest, we recognize a man of the people, of spotless integrity, whose record for loyalty has been distinctly made and stands unimpeached, and in whom we have the most unbounded confidence, when selected as chief executive officer of the State, that he will so discharge the duties of his office as to merit the plaudits of the people, and keep the State true to its tried fidelity to the National Government.

Senator Conness, Governor Low, F. M. Pixley, Rev. Drs. Cox and Briggs, J. W. Dwinelle and Senator Stewart of Nevada, addressed the meeting, and letters and dispatches were read from General Rosecrans, Rev. Mr. Stebbins, C. B. Denio, W. H. L. Barnes, from the State Central Committee and Governor Blasdel, of Nevada, Governor Wool, of Oregon, and from Hon. A. A. Sargent. The conclusion of Gen. Rosecrans' letter was as follows:

"It is obvious that there should be no wavering in our support of the general policy of Congress, however its details may or may not require modification. No Representatives ought to be elected to Congress on platforms of open or covert opposition to measures wherein finality is more important than detail.

These considerations force me to the conclusion that, irrespective of personal dislikes and local ambitions, it is wisest and best for the interests of our country that all *Union men*, of whatsoever party, at the approaching election, should give their *cordial support to the ticket* headed by George C. Gorham."

These are the true and noble words of Mr. Sargent:

"I deem it the duty of all Unionists to support the ticket. The consequences of losing the State are too grave to be lightly considered. Our friends in the East would be discouraged, righteous reconstruction be impeded, and the elements of discord be reanimated as after the Connecticut election. Johnson would think himself endorsed and act accordingly. The rebels would be encouraged to new resistance; there would be more murders of Unionists, and the difficulty of the task of restoring the nation would be increased. It would be impossible to explain in the East that this State had not decided for Johnson against Congress.

"It would be no justification to say that we quarreled about men when we should have contended for principle. In my judgement any movement from within the party that will defeat part of the ticket will defeat it all, and the legislative ticket also. The friends of the ostracized portion of the State ticket declare that they will not support the rest of the State ticket, or the County tickets nominated all through the State by the friends who propose to organize opposition to the State ticket. If this movement is persisted in, shall it be general defeat and ruin or not? Unless we wish to see the party involved in common disaster, we must harmonize on the basis of supporting both State and County tickets."

MISTAKEN.—We give place on the 4th page to a communication from Mr. A. E. Redstone, in order that he might state his objection to a portion of the nominees on the State ticket, and also to prove that his conclusions, arrived at from the articles contained in the Sacramento Union, are not only unjust but unfounded. It is not reasonable to suppose that such gentlemen as Sargent, Low, Conness, Briggs, Dwinelle, Dudley, Stebbins, Gen. Miller, Gen. Rosecrans, Denio, and a host of others against whose social and political standing there can be nothing said, would give warm and hearty support to the head of the ticket. Did Mr. Gorham's record admit of a doubt certainly these gentlemen would not be found willing to render him their aid; or did Mr. Gorham's private character stand less, fair they would refuse him their influence. On Tuesday evening last the most prominent citizens in the State in the presence of thousands assembled in San Francisco, ratified the nominations made at the late State Convention. We are satisfied Mr. Redstone is honest and sincere in his impressions as received from the source alluded to, but we contend that those impressions have been erroneously created, and as soon as he becomes satisfied of this fact he will heartily support the Union ticket. Mr. Gorham's position toward the Workingmen is as satisfactory as any man could desire.—He is one of the people himself, and it is unfair to array him in opposition to them as his enemies are attempting by falsely leaguing him with monied monopolies. In reference to the Coolie question we append his letter to the Workingmen's Convention of San Francisco, which should finally settle the matter with the most doubting. The letter was addressed to the editor of the San Francisco Dispatch under date of May 26th, 1867:

EDITORS DISPATCH:—Your courtesy in giving room for my letter on the Chinese question and the good temper of your comments thereon, render it incumbent on me to reply to your inquiry as to whether I can endorse the second resolution of the platform of the Workingmen's Convention, now in session in this city; which is as follows:

"2. That the importation of Chinese, or any other people of the Mongolian race, into the Pacific States or Territories, is in every respect injurious and degrading to American labor, by forcing it into unjust and ruinous competition; and an evil that should be restricted by legislation, and abated by such legal and constitutional means as are in our power; and that we shall not vote for any man, for any office, who is not opposed to such importation."

Unhesitatingly do I respond IN THE AFFIRMATIVE. The "importation" of Chinese Coolies is quite a different affair from the immigration to our shores of such as choose to come. * * *

Very truly, yours,
GEORGE C. GORHAM."

RESIGNS.—Thomas H. Selby, the nominee of the late State Democratic Convention declines the nomination of Harbor Commissioner on the Democratic ticket. He pleads business matters as the cause of his refusal to run, but we shouldn't be surprised if he was ashamed of his associates.

**Perry Davis' Vegetable Pain Killer,** after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its excellency is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

# SEMI-WEEKLY ENQUIRER.

DEDICATION.—The members of the Independent Order of Good Templars met in large numbets at Gold Run on the evening of Thursday last on the occasion of the dedication of their splendid new hall. The ceremonies of dedication were performed in public to the gratification of the large audience present, when the members, together with the spectators repaired to the hall and entered with a lively spirit in the pleasures of the dance. The supper was given at Hackett's Hotel and was partaken of by about eighty-five persons, after which dancing was again resumed and kept up till about daylight on yesterday morning. All who attended agree in pronouncing it one of the most agreeable affairs of the season. The Lodge at Gold Run numbers some seventy active members, and is receiving, weekly, large accessions.

MORE STAMPS.—The Redstone mine, which is located on the gold bearing belt between here and Cisco, is to be worked with additional force. Four more stamps have been added to the mill. The company is incorporated and the work of development is to be prosecuted with vigor. Development is rendered comparatively easy owing to the abrupt termination of the vein at its southern extremity where it crops out on the precipitous bank of the American river. A level at a point 60 feet lower has been commenced, disclosing a better quality of rock. The vein is of good width; the free gold being in a large per cent. over that combined with sulphurets, and the owners are sanguine of receiving good returns.

SCHOOL CENSUS.—The report of the School Census Marshal for this District presents the following figures: Number of children between five and fifteen years of age, 214; of these 116 are boys and 98 are girls; number of children under five years of age, 178; number over five years of age attending school during the year, 120; number attending private school, 16; number of children over five yesrs of age not attending sshool, 73. One Indian and nine Mongolian children are also enrolled. These figures present a very flattering condition of Young America in this School district. The number over five years of age not attending school is larger than it should have been.

THE attention of the readers of the ENQUIRER is called to the advertisement of the Gold Run exchange, at Gold Run. The house is a new one, and Mr. Richardson, the proprietor, flatters himself that he possesses the necessary qualifications to keep it in a manner of unsurpassed attractiveness. Any of our friends having business out that way would consult the welfare of their inner man, digestive organs, etc., by stopping at the "Exchange." If a thorough knowledge of good living and gentlemanly treatment has anything to do with the comfort of guests, then the proprietor of the Exchange is certain to have fat, handsome and contented customers.

ELECTION.—At a regular meeting of Olive Lodge, No. 81, I. O. O. F., held June 25th, 1867, the following named officers were elected for the ensuing term: C. M. Kopp, N. G.; James Jameson, V. G.; Isaac T. Coffin, Recording Secretary; A. Lane, Permanent Secretary; R. Hudepohl, Tresurer; J. T. Mathewson, John H. Boke and N. W. Blanchard, Trustees.

*Resolved*, That it be the duty of each of the Supervisors of the Primary Elections, to challenge any one offering to vote that he may suspect of being unqualified.

By order of the Union District Central Committee of the Second Revenue District, Placer County.

E. AUBURY, President.

A. N. GAMBELL, Sec'y.

"JES' SO!"—"EXACTLY!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night he took Plantation Bitters; if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters, and they never failed to set him on his pins square and firm.

A few bottles of PLANTATION BITTERS

Will cure Nervous Headache,

which are evidences of

**Liver Complaint and Dyspepsia.**

After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

**LYON'S KATHAIRON.**

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents the hair turning gray and falling off.
It restores the hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, and there is hardly a country store that does not keep it, or a family that does not use it.

**MUSTANG LINIMENT.**

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll evil, ringbone and sweeney, the Mexican Mustang Liniment never fails

For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

**ESSENCE OF JAMAICA GINGER.**

**THIS valuable preparation, contain-**ing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

COMMUNICATED.

EXQUIRER, SIR:— Whereas I believe that George C. Gorham and the moneys of monopoly caused the election of Conness to the United States Senate and resulted in a bill oppressive to the laborers of this State, therefore, we believe that no Miner, Mechanic, or Laboring-man can vote for the said George C. Gorham, *without voting against his own best interests.* Vote for no man for any office, who has been a lobbyist for monopoly.

I look upon this nomination of our Union (?) State Convention as a graduating touca in a reckless scheme, the success or election of which, would bring most disastrous consequences upon all the mining and laboring interests of the State.

Monopolies will grasp all the tools they can use, and will pay as they can afford, up to one hundred thousand dollars in railroad stock, and if they don't play games low down for power it is not in accordance with any of the governing precedents that I can think of now.

Mr. Gorham in his address says some clever things (roundabout), in which I can find nothing binding upon his future acts. Any man that gets my support shall be pledged to the workingmen's interests and to true Union principles. The protection and security of these principles is the protection and encouragement of labor and mechanism.

Farther, I look upon the nomination of McCarthy for State Printer, as being a direct insult to every journeyman printer in the State, and *not* satisfactory to any "Trades Union man"—his record is being circulated by the craft and needs no comment here. Parks' record is hardly legible from his own mis-spelled words. My excuse for a claim in the counsels of the mechanics and workingmen is the following:

BUFFALO, September 11, 1863.

MR. A. F. REDSTONE—Dear Sir:—Please accept the thanks of this Union for exposing the attempt that is now being made to oppress the mechanics and workingmen of America.

Respectfully yours,

(Signed,) ISAAC MOORHEAD, Sec'y.

This vote is given under the seal of the Iron Moulders' Union of Buffalo, New York, and I merely cite it for the purpose already stated, and to show that my interests are with the workingmen, and that any attempt to oppress labor has not and shall not pass unnoticed and without my earnest opposition. Having received many expressions of the above nature, as well as many expressions through the press of the Atlantic State, I feel a proud compensation, sufficient for former acts, from just the class of mankind that I most respect. I hope I have done my duty in the matter in times past, and for the future wish only to be admitted into the confidence of, and a brother adviser in, the labor interests common to us in this State, and assist at any time in elevating the mechanic and workingman. They are the motive power of civilization, and when we look down the past for the fountain of the great river of progress, we see no starting, no sustaining, or perfecting of any art or benefit, any help to man's progress and bettered condition but the result of intelligent labor. Therefore mechanism is the moving, civilizing power, aid in Christianizing the world, and through its effects only will man rise to perfection if such could be—labor should be protected for these reasons and because it is the true wealth of the nation. Monopolies are injurious and destructive to our interests—let's resist them at the polls, let's show that we can assay their schemes and that money cannot corrupt our ballot. Mr. Gorham's position in the Southern Pacific Railroad matter is to say the least, unfortunate for him; he may be a good lobbyist and probably had better remain such while a more sound man shall hold the veto power on such bills.

The remainder of the State ticket we can endorse for aught I know. It is said the reason the Democratic party held power after forsaking principles was that it was "well drilled." Now, mechanics and workingmen, let us show that we are not the kind to be "drilled" except in the discipline of right principles—let us show that the man who produces by labor can also exercise a sound judgment, and that we will in no case be bound to acts of bad faith of any Convention. And, Union men, the cause is the same that caused the late rebellion, to sustain monopoly against labor, thank God labor has triumphed in that case, may labor triumph now. Put no trust in men you cannot have the utmost reliance in. We have been taught a lesson in Andrew Johnson, let us have no more, we want a man for the several offices of this State of clear, untarnished record up to this time and safe pledges for the future.

If mechanical associations wish my record as a co-laborer for the right men and correct principles, telegraph to mechanical associations of the Atlantic States or "Fincher's Trades Review," Philadelphia, Pa., or by communication with me. I aspire to no political elevation, but desire to help in placing the best men to control our political affairs.

ALBERT E. REDSTONE.

Dutch Flat, June 28, 1867.

THE fight of Horace Greeley and the Union Club reminds the *Journal of Commerce* of a story that used to be told of Daniel Webster and George Wood. Mr. Webster having been retained in a suit at law, and coming to court, asked his client, "Who is the opposing counsel?" The client, pointing to Mr. Wood, who sat in his favorite attitude, well remembered by all who knew him, replied, "I don't know his name—it's that sleepy man yonder." "You need not wake him up," said Mr. Webster.

**THIS CELEBRATED INSTITUTE**

has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring; and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, commining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

**Do not be satisfied with partial cures**

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

**Private Medical Institute,**

No. 536 Washington street, San Francisco, Cal.

**Seminal Weakness or Spermatorrhœa**

The young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable fleeing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing dullness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that he one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult them, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands o sick-rooms, with paralytics and consumptives, and hundreds of untimely graves with its unpalliated victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

**Important to Females.**

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—born in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be preeminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small, for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœa, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,

L—— H——.

Seminal Weakness—A Sworn to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1865 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1865 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care, in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by DR. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine quo non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—News

TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. **FRENCH MEDICAL OFFICE.**

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College and Physician of the St. John Baptiste Society of San Francisco.

DR PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently indisposition all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptons: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and aching in different parts of the body; patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhœa, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under caronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

**Female Monthly Pills.**

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unsurpassed, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

*The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.*

**DR. TOZER'S**

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

**Stricture of the Urethra**

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

**Venereal Diseases,**

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system, Your constitution being restored to perfect health, there will be no danger of handing down to you children that terrible disease known as Scrofula.

**Syphilitic Disease,**

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

**The Old Formulas**

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1850. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

**Rheumatism, Neuralgia,**

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

**Seminal Weakness.**

Should you be addicted with any of the following symptoms, such as weakness of the Back and Limbs Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebooding, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

**To Females.**

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor

SAN FRANCISCO, June 1, 1866.

*Dr. Chas. H. Tozer:*— DEAR SIR: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case, and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.
